

A Better Way to Purchase *paper*

Office Depot has teamed up with the Arbor Day Foundation to offer TreeUp — a simple program designed to help your organization reduce its impact on the environment and meet sustainability goals. Here's how it works:

1 We use a custom paper calculator to estimate the amount of wood used and carbon emissions created by your paper purchase.

2 You choose how you want to offset your environmental impact, through either planting trees or offsetting carbon.

3 The Arbor Day Foundation will either plant trees for \$1 per tree or offset carbon at a rate of \$7 per ton.

4 We provide you with an invoice from the Arbor Day Foundation for the trees planted or tons of carbon offset.

5 You will also receive a certificate highlighting your impact on our planet through tree planting and carbon offsets.

It's a straightforward approach to more sustainable paper purchasing. Talk to your Office Depot representative about planting trees and offsetting carbon through TreeUp today.
